The BRR Strategy in 2026: How UK Investors Keep Recycling the Same Capital

Swipe for the key lessons →

01

/ 05

BRRR recycles capital - the goal is to pull your money back out, not to sell.

02

/ 05

Profit is made at the purchase. No refurb rescues a bad buy.

03

/ 05

**Line up the refinance
before you buy, and know
the lender's ownership
rules.**

04

/ 05

**Always hold a 10-20%
refurb contingency.**

05

/ 05

**Stress-test the rent at
7-8% interest before you
commit.**
